

PERSONAL PROTECTION EQUIPMENT (PPE)

PPE:

The best way to stay safe is to be sure you have what you need in order to protect yourself in any given situation. We carry a full line of PPE to match your needs. From masks, to Tyvek coveralls, to gloves and whatever else you can imagine, we are your one-stop shop for PPE

Masks

We carry face masks like the N95, KN95, surgical mask, and others. We also stock full and half-faced masks with exchangeable filters.

Suits

Protect yourself with our selection of suits to match your environmental needs. Tyvek suits work well for disinfecting work.

Gloves

Your hands are exposed and make most of your contact. Be sure you are protected with what you need. Our gloves range from biological threats to grease to anything else you may handle.

Booties

Protect your floors and keep yourself clean with booties from Power Plus.

Not shown

Harnesses, inner garments, face shields, and so much more PPE are available through Power Plus. Call us today to get what you need.
